

HIGH SCHOOL PROGRAMS

NCE is delighted to offer SAT and PSAT prep programs, leading up to each test date. The schedule for the 2020-21 school year follows. **Please note: All sessions through at least January will be ONLINE.** The determination regarding late winter-spring sessions will be made at a future date. If we are able to switch to an in-person format later in the school year, the classes will be held at Needham High School.
